SUMMARY

I am a creative, detail-oriented, and resourceful production artist with a dependable work ethic. Accustomed to dealing with multiple tight deadlines in a fast paced environment, I work efficiently and without any sacrifice to quality. I thrive in an environment where I can share my passion for all aspects of print and design, always with an enthusiasm to learn more.

EXPERIENCE

PACKAGING PRODUCTION ARTIST

Tatcha | 08/2021 - Present

- Layout artwork and typography, adhering to Tatcha's brand guidelines.
- Create accurate, print ready production files, ensuring that vendors have comprehensive direction on all jobs.
- Contribute to the development of package design standards, acting as a gatekeeper of consistency throughout the layout of Tatcha's products.
- Collaborate with art director and designers to ensure creative vision is met.
- Partner with project managers to effectively deliver projects on time

PRODUCTION ARTIST

All American Label & Packaging | 06/2016 - 08/2021

- Produced print ready files, specializing in labels for wine, food, cosmetics, and cannabis products
- Revised artwork upon customer request, including changes to typesetting, layout, image manipulation, and color correction
- Collaborated with designers to ensure final products print accurately
- Provided color matching and image correction for press checks
- Adhered to brand guidelines and identities, maintaining brand consistency
- Built files for cutting dies, embosses, hot stamps, spot plates, shrink wrap, and high-build screens
- Provided in-house graphic design

PRODUCTION ARTIST

Heritage Solutions | 09/2014 - 06/2016

- Created print ready files with a focus on labels, folding cartons, packaging, and POP displays
- Prepared proofs for customers and made edits upon request
- Collaborated with designers on creative concepts
- Set up files for cutting dies, embosses, spot plates, and foil dies
- Color matched spot and process colors using Pantone Color Engine Pilot
- Provided in-house graphic design
